

AMERICA'S WARRIOR PARTNERSHIP

# TOGETHER, WE CAN DO BETTER

*Empowering Veterans, Empowering Communities,  
Improving & Saving Lives*

SINCE 2014...

**80,000+**

Veterans served along with  
their families/caregivers

**4,000+**

Connected public, private, local  
and national partners

**95%**

Client satisfaction

For every \$1 donated

**90¢**

supports program services

Since 2023, 956 Warriors have  
screened positive for suicidal risk at intake.

## WHAT DO WE DO?

### COMMUNITY INTEGRATION

- Knowing community veterans & families to improve their quality of life

### THE AWP NETWORK

- Nationally connecting veterans to their community & resources

### OPERATION DEEP DIVE™

- Community-focused study identifying the veteran with the highest probability of taking their own life

**“America’s Warrior Partnership  
is where hope exists.”**

**-Marine Corps Veteran**

@AWPARTNERSHIP

## COMMUNITY INTEGRATION

- Proactively building relationships with veterans & strengthening community
- Ensuring access to resources
- Improving quality of life thus preventing veteran suicide

## AWP's Community Branches

## THE AWP NETWORK

- Focuses on understanding the unique needs of each individual served
- Bridging the gap between national programs & local resources
- Nationally connecting veterans to their community & resources to holistically improve quality of life

## Case Coordination Approach

1:1 case coordination and warm hand-off to partners

## Populations Served

Military, veterans, their families, & caregivers

# OPERATION DEEP DIVE™

- First ever community-focused study identifying the veteran with the highest probability of taking their own life
- Focused on suicide, self-harm, overdose & alcohol deaths
- Investigating the impact on former active-duty, National Guard, & Reserve
